RING ARENA NÜRBURGRING

The Nurburgring facilities provide professional surroundings for a great tournament and training experience.

Ring Arena and BEC include a 4.000 squaremeter-area. Two directly-connected venues offer place for a field of play consisting of 12 tatamis and a training- and warming-up area with another 8 tatamis of space.

All spectators and guests will have more than 3.000 seats next to the tatamis to follow all bouts.

There are plenty parking- lots both indoor and outdoor .

RING ARENA NÜRBURGRING

One of the highlights of the venue is the 47 meter big LED-wall called “Ringwall”. Here you will have access to important informations and entertainment on a new scale.

The formula1-racetrack, an indoor go-cart-track, a racesport museum, cinemas, restaurants and much more are just a footwalk away.

You can find two hotels, Lindner Congress Hotel*** and Lindner Motorsport Hotel**** just around the corner

We also recommend you Lindner Ferienpark/Drees, about 5 minutes by car away with affordable holiday houses for groups.

A SPECIAL TOURNAMENT

- contrary to many other competitions we provide the modus “round-robin”
- all athletes will be divided in groups where they will fight against each other. So every athlete will have at least three matches.

- After the round-robin-rounds there will be a K.O.-round which will decide the gold, silver and the two bronze medalists.
- Mouthguard, hand, foot and shin protections (except U6/U8), groin protections and chest protections (from female U12) are mandatory. Bodyprotectors (thick protectors) and helmets for U6/U8/U10/U12/U14) are also mandatory! These protectctions will be offered at the PUNOK booth.
- In order to save time between the matches it's only necessary to change the hand and foot protections and the belt. Red and blue shoulder embroideries on the Kimonos are allowed but not mandatory.
- Random weight checks will be conducted. The permitted tolerance is 0.6 kg. If an athlete is protested on competition day and the weight is found to exceed the limit by more than 1.0 kg, he/she will be disqualified and all his/her results will be voided.
